WORD FROM A TEAM MEMBER

Hey Y'all! So, we have just
finished the whole routine and by
the looks of it the coaches
have done a pretty good job. Now
it's all up to us. We need to focus,
push our selves and most
importantly have fun! We need to
be there for each other and
encourage one another, to
be the best athletes we can
possibly be. Since Fall Classic is
only a week away, we really
need to take practices seriously
and show all the teams what we
are made of! For sure there
will be a lot of pain, and sweat, but
A LOT of laughter which is one of
the qualities that makes this team
great! We need to never give up,
because the sky is the limit.
Remember to ALWAYS believe
in your selves and your team
mates. So lets make our coaches
proud, but more importantly
ourselves proud! Keep up the
good work, ya hicks!
Love ya;
Parsley
